TERMS OF SALE

1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sales herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of books.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made. On books we charge \$1.00 handling fee for packing and processing up to 10 lots; each additional lot 10¢. (Other cataloguers charge 50¢ per lot)
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U. S. Funds (unless other arrangements have been made). Payment must be made immediately upon receipt of notification or delivery.
7. All books are as described. The actual title in a foreign language is given - the cataloguer interprets the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 20 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A list of PRICES REALIZED will be published about two weeks after the sale. By Marking your bid sheet or ordering before the sale date, the price is \$2.00. This catalogue and price list could prove to be a worthwhile bibliography of numismatic books at today's market.
11. Lots delivered in the State of Maryland are subject to 4% Sales Tax, and will be added to the invoice.

COINS, MEDALS AND BOOKS

Auction Catalogs - American

Katen 19710815

GEORGE J. FULD, a name synonymous with tokens and medals, has been collecting since 1942. His numismatic accomplishments embrace the entire field as is evidenced by the scope of his Numismatic Library.

He is a Fellow, American Numismatic Society, Life Member of the American Numismatic Association, the First President and Journal Editor of the Token and Medal Society. He also belongs to many local and regional clubs.

He was honored by the American Numismatic Association with the Medal of Merit in 1961, was Chairman of the A. N. A. Papers Committee in 1960, has been a speaker at various American Numismatic Association Education Forums and is a Certified Judge under the A. N. A.

He is the author of over 70 publications on coins, medals, tokens and Colonials and three books on Civil War coinage. The numismatic world is anxiously awaiting the publication in September 1971 of a new 700 page standard reference on Civil War Tokens co-authored with Melvin Fuld.

GEORGE J. FULD, a graduate of the Massachusetts Institute of Technology with a B. S. degree in 1953 and Sc.D. (Biochemical Engineering) in 1956 has made his impact in the industrial world as well as in numismatics. His biographical listings include, Outstanding Young Men of American (1965); American Men of Science; Who's Who in the East (1970); Who's Who in Commerce and Industry, (1971) and International Dictionary of Biography (London) 1971.

Fuld's honors include Tau Beta Pi, Phi Lambda Upsilon, Pi Tau Sigma, Sigma Xi, and Swope Fellowship.

FRANK AND LAURESE KATEN are honored to have been selected to sell at auction Mr. Fuld's Numismatic Library. This catalogue, Part 1, lists about 40 percent of the library. Part 2 will follow shortly.

Mr. Fuld's library contains some of the world's rarest books - a few unique - a great many autographed copies and presentation copies by some of the great old-time numismatic authors. Many of these books were printed in limited editions, some as few as 10 copies, a great many were only 50 or a 100 copies were printed. In addition, most books have been bound if originally in paper covers, or rebound if necessary.

We believe we have prepared an outstanding catalogue and as usual have included an 'EASY FINDING INDEX' for your pleasure.

THANK YOU - and good bidding.

FRANK AND LAURESE KATEN

Whether or not this edition was completed is is problematical. It is not listed in the A.N.S. 'Dictionary Catalogue of the Library. This lot consists of the Front Cover of the 1873 edition, marked Parts 10 - Price \$1.00 each. In addition there 9 of the 10 plates, missing is Plate #6, a fold-over letter facing page No. 41 in the 1875 and 1878 editions, and the back paper cover. END OF PART 1

Regretfully, due to printing deadline, we have to close Part 1 of the Fuld Numismatic Library. Many books belonging in the catagories already listed in Part 1 have been omitted due to being in wrongly marked cartons. These books as well as books in other categories will be listed in Part 2. Periodicals and Auction Catalogues will also be included, there you will find some of the great rarities of the Numismatic World. As in Part 1, you will find that a great proportion of Catalogues and Periodicals have been bound, thus adding greatly to their appeal and usefulness.
